

## KNOEBEL'S NOBLE KNIGHTS NEWS FOR THE WEEK OF 08/22 - 08/26

**HOMEWORK/Tests:** Vocabulary Test on Fri., 8/26. Next spelling Test on Tues., 8/30. On the spelling test, students will correctly write their spelling words. On the vocabulary test, students will have to use their vocab words correctly in provided sentences. They will also choose two of their words with which to write their own sentences. The list is in your child's binder & on our website.

**NIGHTLY READING HOMEWORK:** *You will find a reading passage in your child's folder today. Please listen to your child read the passage Mon.-Th. Do not worry about timing them as they read. Please initial initial & mark errors each night after they've read. This assignment helps build their reading fluency. After they read, have them answer the daily question that is printed on the back. The daily question helps your child think about their reading & supports their reading comprehension. The completed (front/back) reading sheet is due on Friday!*
